

# Chiune Sugihara Memorial Hall Access Guide

This guide will help you get to the **Chiune Sugihara Memorial Museum** from **Akechi Station** on the **Meitetsu Hiromi Line**. If you go on the weekend there is **NO** Community Bus running from the Yaotsu Family Center to the Hill of Humanity, but there is a free shuttle taxi. Just be aware that there is only one and it seats up to four people, so you might end up just having to take a normal taxi. Please check memorial website for business hours before going.
